(2) REVIEW OF THE WORK IN THE ASSEMBLY

DEPUTY SPEAKER : Hon. Leader of the House, Hon. Leader of the Opposition, Leaders of the other Opposition Parties, and Hon. Members of the Assembly :

The Second Assembly under the Constitution is coming to a close. This Assembly included many distinguished persons in Law, Science, Politics, Economics, Agriculture and Social Welfare : Every one of them did his work well. There are 13 women Members who played a prominent role in the activities of this House. This Assembly was fortunate in having Dr. U. Krishna Rau as Speaker for four years who did his work exceedingly well.

This Assembly has done very good work and it can be proud of the same. Even yesterday one Hon. Member said that there were breezes in other Legislatures or Parliaments but that there was no such thing here. Though hot words were exchanged between ministerialists and opposiiton Members, they were forgetten even before the Members left the House. I thank all the Hon. Members for the curtesy and co-operation they have extended to the Chair right through from the beginning of this Assembly.

I do not know how many of you would be contesting and how many of you would be successful. I wish all of you success.

I am also thankful to the Press for the co-operation they have given in the reporting of the proceedings. It is my duty to thank the Legislature Secretariat for the help they have given me on all occasions. I must also thank the Panel of Chairmen for helping me in presiding over the House during my absence.

I once again thank the Hon. Leader of the House, the Hon. Leader of the Opposition and the leaders of other Parties and all the Hon. Members for the co-operation and courtesy they have shown to the Chair during the last five years.
